

GUIDE TO COVID-19 AND ENTRY INTO AUSTRALIA

This guide assists international students in relation to the COVID-19 related requirements of the Australian Government, as well as providing information on Equinim College's practices for student safety.

1. Are the borders for travel into Australia open?

For the latest border related information, see the Australian Government webpage on COVID-19, at <https://www.homeaffairs.gov.au/covid19/>

2. Do I have to be vaccinated to enter Australia?

Australia has vaccination requirements in place for entry. For the latest on what vaccination requirements are in place, see the Australian government information here: <https://www.homeaffairs.gov.au/covid19/vaccination-testing>.

3. What border control requirements apply to me coming to Australia?

The latest information on Australian border control in relation to COVID-19 can be found here: <https://www.homeaffairs.gov.au/covid19/>. That webpage gives a link to the Digital Passenger Declaration which all travellers must complete within 72 hours before departure to Australia. In that declaration, you must provide your health information and declaration of your vaccination status and COVID-19 test result.

4. How does Equinim College ensure safety of students on campus?

Equinim College has in place world-leading practices for hygiene and infection control. We provide full support to our student community during the COVID-19 pandemic. All students and staff of Equinim College are required to complete our custom-built COVID-19 Safe online training module, which exceeds the guidelines issued by the World Health Organisation.

5. How do I complete the Equinim College COVID-19 Safe online training?

You will be sent a link to the COVID-19 Safe online training module when your enrolment is complete. You will receive a digital certificate commemorating your completion.

6. Ongoing support

Throughout your course, we are here to support you in every way we can to enjoy your studies in Australia. Contact us at any time – we love hearing from you.
